

# THE AAA ELITE PLAYER MOVEMENT PROCESS - UPDATE

Player movement start dates are as follows:

U15 – September 6

U16 and U18 – September 13

## OPTION 1 - Elite Player Movement

(Step 1) The ELITE released player has **seven days to arrange a second tryout with another club, please contact club directly:**

- **Within Edmonton:**
  - Knights of Columbus Athletic Club - Gen Osmond office@kchockey.ca
  - Canadian Athletic Club - Betty Chmilar cachockeyregistrar@gmail.com
  - Maple Leaf Athletic Club - Tyler Richards mlacgm@outlook.com
  - South Side Athletic Club - Melissa Heayn registrar@ssac.hockey
- **Outside Edmonton**
  - Released Elite players seeking a second tryout who want to go outside of Edmonton will have to find a team outside of Edmonton at the same division and category, on their own. The released player can access that information on the [Hockey Alberta](#) and Rural Elite websites.

(Step 2) Upon securing a 2nd tryout, the parent/player advises the releasing club in order that the Hockey Alberta Male [Elite Waiver form](#) be initiated to start the movement process.

(Step 3) Player/parent will receive the Hockey Alberta automated form link to have the parent sign the Hockey Alberta Male Elite Waiver form. Upon approval the form must be presented to the 2nd tryout club.

(Step 4) Upon assignment of 2nd tryout, please contact the club for next ice time.

(Step 5) Upon the date of release the player has 7 days to return to the resident club if not rostered to another team.

***Please note: Players should keep in close contact with their resident club and let them know where they are.***

Released players will be allowed to skate with their AA team until such time that they would access the second tryout skate.

***15-year-old players trying out at U18AAA in their resident club are not eligible for a second tryout at U18AAA. IF 16AAA players are released from U18AAA they are eligible for two tryouts at U16AAA and may, if released, look for a second tryout at U16AAA.***
